President Pantazes welcomed the members. The 28 attending members and guests made self introductions.

3. Approval of Minutes

President Pantazes requested comments and/or approval of the August 4, 2009 meeting minutes as posted on the REACO Web Site. Motion made to approve amended minutes, seconded and approved by voice vote.

4. Program

DeWayne Starnes (County of Sonoma) began a discussion around graywater standards. DeWayne noted that a permit is not required for a single fixture system. Sonoma County is working on a pamphlet that will be available to all applicants. This pamphlet will be available electronically. Reference code section is Chapter 16, 2007 California Plumbing Code. DeWayne further noted that Sonoma County will not approve indoor applications of graywater.

Steve Jensen (City of Napa) said that Environmental Health was requiring a permit.

Lee Braun (City of Belvedere) asked the group how many jurisdictions were going to administer the "no permit" direction. A majority of jurisdiction said they would NOT require a permit.

Glenn Schainblatt (City of Sebastopol) asked if the group wanted to put together a flyer for the public. Dewayne said that the group was welcome to use what the County puts together.

5. Old Business

Bill Talley (Talley Construction Management Services) reported on "purple rock". Please see gypsum association website for technical info. Lee Braun suggested inviting a speaker from Drywall Trust Fund. Glenn said that he would follow up.
